

## **NofEWSSC**

### **BIS challenge**

Two WSSs well worthy of their respective CCs on the day and I could appreciate why the two judges each thought that their CC choice worthy of BIS:

DCC Knowles' Menstonia Minstrel

BCC Harrison's Sh Ch Glenbrows Memoir

**Menstonia Minstrel** – super head with kindly expression, compact in body with plenty of substance and well boned legs. He moved with ease from strong quarters covering the ground with drive. True coming and going and using his tail to advantage, showing right to the end and just had the edge over the bitch in the final challenge. **BIS**

**Sh Ch Glenbrows Memoir** – she came from the Veteran class but her rich red coat and movement belied her age. A beautiful compact bitch with good reach of neck set on clean well laid shoulders straight front, best of legs and feet, deep well sprung ribs. She moved out smoothly with purpose and pushed the dog hard. **RBIS & BVIS**

### **BPIS challenge**

#### **BPD – Clarke's Tigerrock Im Your Man**

7 months old boy with nice overall shape, pleasing head and good bone. Well angled hind and correct topline held on the stand and move. Only young and not fully settled on the day so lost out to the bitch for BPIS on the day.

#### **BPB – Harrison's Glenbrows Rhapsody**

Beautifully balanced youngster with such a pretty head and kind eyes, didn't realise until later that the BCC winner was her dam

Excellent length of neck leading into a well ribbed body with straight front and well angled hind. Presented in super condition with gleaming coat.

That much older and more together than the puppy dog. Moved happily and effortlessly with ever wagging tail. Well deserved **BPIS**

**Sharon Barkley (referee)**
