

NEWSSC CH SHOW

27-8-21

I would like to thank the committee for this appointment and the exhibitors for entering their lovely dogs under me. I thoroughly enjoyed my day and felt very privileged to have the opportunity to judge them.

MPD 3 (1abs)

1 Clarke's Tigerrock I'm Your Man. 7 month old baby, he is mature for his age presenting a lovely outline. Compact with plenty of bone and substance. Good welsh head and soft expression. Well angulated with width in his second thigh, well let down hocks and tight feet. Balanced on the move. BPD.

2 Jackson's Tigerrock Gardez La Foi NAF TAF. Litter brother to the winner so has a lot of his brother's attributes. He is going through his interim stage so is not as mature. Having said that he has a lovely head and expression. Good reach of neck and lay of shoulder. A bit "bum high" at the moment and moved well when settled. One to watch.

JD 2

1 Clarke's Tigerrock Magic Roundabout. It was a close run decision between these two half brothers but I just preferred the head of the winner with his depth of muzzle and stop. Short coupled and nicely angulated with good tailset and feet. Balanced on the move.

2 Clarke's Henniverous Rainbow by Tigerrock He is not as mature as the winner at the moment and needs to fill his frame. Having said that he definitely has a lot of potential with a nice reach of neck and sufficient angulation. Moved out well

VD 2

1 Green's Tywysog Gelert. Twelve years old and apart from the grey hairs you would never have known it. Good head with the sweetest alert expression. Well angulated and with the correct rise over his loin which allowed him to power round the ring.

2 Stone's Stedigan All in Good Time RL1EX ShCM. A very different dog to 1st. 10 years old and in good coat and condition. Nice welsh head with reach of neck leading to good shoulders. Compact with well let down hocks and good feet. A little short in leg and didn't move as freely as the winner.

1 White's Mymmsbrook Malbec with Fiergen. This young dog is maturing nicely but has a way to go yet. Good welsh head with an appealing expression leading to strong neck and a well laid shoulder. Pleasing outline and angulation behind. He's in beautiful condition and moved out well.

2 Ceriati's Fascinellie Got the Charm. He has a lovely masculine head with an alert expression. A compact well muscled dog with good bone and substance and well angulated which enabled him to move out well. Well let down hocks, strong second thigh and tight feet.

3 Murray's Madsprings Drogon from Priestbeck.

ML 2

1 Knowles' Menstonia Minstrel JW. A really lovely dog from this kennel. Such a very typical welsh with a masculine head and soft expression. Good reach of neck, well laid shoulder and good length of upper arm. Correct topline which he held on the move. Well ribbed with depth of brisket and a strong well angulated rear end. Super feet. I was delighted to award him the DCC and to see him go BIS under the referee.

2 Graham's Nyliram Let's Twist Again JW. Another very nice dog with much to offer, this boy pished hard for top spot. He has a pleasing head with a strong neck and is well angulated at both shoulder and stifle. Not quite the depth of brisket as the winner which made him appear longer cast which actually he was not. Moved out well with drive.

L 2(1abs)

1 Bennett's Helgen Romeo the Lover for Flyboron. On his own but a worthy winner. He has a good welsh head with depth of muzzle and presented a pleasing outline. Good lay of shoulder and length of upper arm with nicely angulated stifle. Well let down hocks, good tailset and tight feet.

O 8(1abs)

1 Ritchie & Butler's Slapstones Diamond Mine JW. I was spoilt for choice in this class and placings could well change another day. This boy has a lovely head and alert expression, so well proportioned with a good neck and well laid shoulder, well sprung ribs and a typical topline. Correct bend of stifle and in good hard condition. Moved out well with drive. RCC

2 Graham's Sh Ch Taimeres Twister round Nyliram JW ShCM. A lot of the attributes to the winner apply to this dog as well. Another very typical welsh with a pleasing head and depth of muzzle. He has plenty of bone and substance and presents a balanced picture with good angulation front and back. Well let down hocks and super feet. A bit heavier overall than the winner. Moved out well.
