MPD (2)

1 Clarke's Tigerrock Ride Cowboy Ride.

Raw baby would like him more masculine throughout, head has a soft expression, stands tidy in front, firm feet good depth to body & width of thighs, moved fairly accurately, no drive on the move.

2 Muir's Bushwacker What Happens In Vegas.

Immature boy more masculine in head than 1st dark eye, good bone & feet, upright in shoulder, well ribbed, needs to level in topline, rather leggy, tidy front action moving very close behind.

Puppy (3)

1 Englefield's Kamunting Porthos. BPD

Head rather coarse, which spoilt his expression, dark eye, strong bone & firm feet, compact in body, very wide in front, hind action fairly accurate when settled.

2 Clarke's Tigerrock Ride Cowboy Ride.

3 Muir's Bushwacker What Happens In Vegas.

Junior (4)

1 Tew's Pamicks Believe You Can.

Slightly larger mould but he presents a balanced picture & is presented in rock hard condition, well proportioned masculine head, tidy front well boned with strong feet, well sprung ribs, strong loin. ample width to thighs, good bend of stifle, moves soundly with plenty of drive.

2 Harrison's Glenbrows Trademark JW.

Super mature youngster with everything in the right place, sound action just not happy on the move which spoilt his outline, well developed head & the softest expression, straight front with the best of feet, clean neck & excellent lay of shoulders, good width to thighs with firm muscle tone, immaculate presentation.

3 Green's Eurion Jasper.

plenty of work in his head, lovely dark expressive eye with soft expression, straight front with firm feet, excellent lay of shoulders, deep ribbing, strong loin, good turn of stifle wide muscular second thighs, presented in hard condition, rich coat colour, moves soundly with extension & drive holding himself well to earn his first CC.
