**Bitches**

**MPB 1.** Clarke's Crimicar She's Electrick with Tigerrock TAF. A great start to my day and whilst she stood alone, I am certain she can hold her own in company. She has a very pretty head with stop and chiselling, a long neck, well laid shoulders and length and return of upper arm. Her ribs are well sprung at this age, she is strong in loin and has wide quarters. Standing on well boned legs and firm, well padded feet she moves with a lashing tail in a very merry fashion. **BPB** and **RBPIS**.

**PB. 1.** Tyler and Shiel's Tammano Teal at Eiriandyllis. She has a beautiful head and eye with strength in muzzle and moderately low set ears of good size. Well angulated front and back, her second thighs are well developed. Another very happy girl on the move who I liked her very much; she was just standing a tad bum high today.

**JB 1.** Chandler's Chanangel Mistletoe N'Wine. A well balanced girl carrying a strong topline with slightly arched loin. She has a long, muscular neck fitting cleanly into well laid shoulders, a big, strong bum and short hocks. Her head is very pretty and she has a lovely glint in her eyes. Once she got going she carried her tail well.

2. Harrison's Glenbrows Temptress. Another sturdily built girl that I liked very much. She presents a strong outline with a wonderful crest to her neck. I felt she had a better front action than the winner but overall, she was not as confident on the move. She wears a beautifully flat and silky coat.

3. Backhouse's Aindrea Harleyquinn

**YB 1.** G. Temptress. She moved much better in this class.

2. Graham's Slapstones Pink Promise at Lyndfil. A good sort with balanced head, good length of neck and wide quarters. I preferred the expression of the winner and she was proud of her tail on the move.

3. Gibson's Dearham Dilys if Cadehill.

**VB 1.** Frost's Bushwacker Hot Gossip. A substantially made 8 ½ year old in very good condition and balanced throughout. Her head has a clear stop and level muzzle and I preferred her eye shape to that of the second placed bitch. She moves well on cat like feet and whilst I can accept a slightly high tail carriage, I was disappointed with hers today.

2. Lemin's Bonvis Fern. 7 ½ years old and in lovely coat and condition. She has strength in body and hindquarters and a well balanced head.

3. Caffrey & Dods Sh Ch Gellyburn Damsel JF ShCM

**MB 1.** C. She's Electrick with T

**NB** No entries

**GB 1.** Waller's Isfryn Lady Godiva at Fireglow. She is very compact in appearance, has plenty of heart and lung room and a well muscled loin. Her skull is slightly domed and she is clean in back skull and has a lovely crest to her neck. Her head is feminine with low set ears. She moves well but in the challenge was a touch close behind.

2. G. Temptress

3. Cooper's Isfryn Lady Grey of Gilstonia

**PGB 1.** Backhouse's Glenbrows Romance at Aindrea. A very eye catching girl beautifully presented and handled. She has a commanding appearance and a somewhat haughty head carriage both standing and moving. She has a strong, square muzzle with balanced head planes but I would prefer just a touch more refinement in skull. Another one with a beautiful rich red and white and silky coat. Moves soundly.

2. Dyer's Islanza Royale Among Tylwyth. Lovely head, neck and shoulders on this bitch followed up by a big strong bum. Moves well.

3. Perkins' Brent Love Me Do

**MLB** 1. Chandler's Chanangel Dujardin. She is well off for bone, has a long neck with a lovely crest to it, clean shoulders and good width behind. Her head is very pretty with a lovely expression. Her young handler gets the very best out of her.

2. Barkley's Cherryheath's Miss Velocity JW. Good balance and outline with tail well set on and low. Attractive head with good ear set.

3. Dods & Caffrey's Slapestones Summer Tide at Balcraig

**LB** 1. Lemin's Bonvis Sweet Jasmine. Her head appealed greatly and she has a very kind eye. Proportionally built with good ribbing and strong loin. Her front movement was the best in the class but I wish she carried her tail a bit lower.

2. Dyer's Benton Small Talk Among Tylwyth (Imp Fin). Deep in body and wide behind she uses her well muscled hindquarters to advantage on the move. Nicely balanced head.

3. Woodward's Hinxwood Fire And Ice

**OB** 1. Thomas' Bowdonia Anastasia JW ShCM. If ever a bitch was built for endurance and hard work this is it. Her body is strong and muscular as are her hindquarters. She is well boned, compact and symmetrically built. She is deep in brisket with well sprung ribs, muscular loin and stands on well padded, cat like feet. Her head is slightly domed with a well defined stop and lovely chiselling below her expressive eyes. Her coat is dense and rich red and white in colour whilst the amount of feathering she carries is just right. She moves with purpose and drive carrying her tail on a level with her back and is very true in front. In short, she is a strong, sturdy and merry spaniel built to do her job. **C.C.**, her third.

2. Cocking, Barnaby & Tully's Sh Ch/NI Ch Bushwacker Gregory's Girl at Highclare. A nice bitch to go over, no corners or lumps and bumps. Solidly made with ribs carried well back and stands on very well padded feet.

3. Ritchie's Sarabande Eternity at Slapestones (AI) JW

**SBB** 1. B. Sweet J

2. I. Lady G. Compact body with long neck and clean over shoulders. Just tends to run up a little in topline.

3. Mole & Knox' Zaza Florence Our Royalwelsh at Edincraw (Imp Ndl)

**SWB** 1. I. Lady G

**GCB** 1. Sutherland's Sh Ch Jacranella Symphony. Posher in type than my CC winner and looking more elegant she nevertheless has good bone and substance with an excellent prosternum and depth of chest. Her body is very curvy with well laid shoulders and a strong topline. She has the loveliest expression and carries her head well on the move, keeping her shape all the while. She moves with a lashing tail however today she couldn't match the front movement of the CC winner. She is a very worthy champion and I was pleased to award her the **Reserve CC**.

2. B. Small Talk Among T

3. I. Royale Among T
