I would like to thank the committee for allowing me to judge this show, and to all the exhibitors who allowed me to judge their dogs.

Veteran Dog

1. Clarke's Jeavart Different Strokes by Tigerrock – 9yr old, good head and expression, good length of neck from which a level topline flowed. Moved with confidence and was happy all the time. BVD & BVIS
2. Barnaby & Cocking's Bushwacker Thriller - 8yr old, well defined head and reach of neck. Lovely deep colour, good bone. Just did not move as confidently as 1

Minor Puppy Dog

Nice class with dogs at various stages of growth

1. Graham & Hogstrom's Don's Statement to Nyliram - 9 months old. Well chiselled head, good forequarters. Well balanced throughout, moderate in the stifle. Moved with purpose around the ring. BPD & BPIS
2. Smith's Isfryn Peeping Tom - 7 months old with a very typical male head, good spring of rib, well angled. Moved with drive and kept topline – not phased at all
3. Morgan & Schofield's Cwsscwn Who Knew (AI)

Puppy Dog

1. Graham & Hogstrom's Don's Statement to Nyliram
2. Oliver's Glenbrows Royal Dragon – 9 ½ months old with energy to burn. Good well balanced dog, good bone and lay of shoulder. Slightly taller than 1. Moved well. Should do well once dog & handler get into a rhythm
3. Smith's Isfryn Peeping Tom

Junior Dog

1. Southgate's Haregate Firethorn – 1yr old. Lovely head and neck. Nice deep chest, good bone throughout. Good topline standing but movement was not great as he was more interested in the floor

Yearling Dog

1. Riley's Ferndel Peanut at Butter at Ravensworth JW – 23 month old. Dog in every sense of the word and I feel sometimes we are missing this distinction. Good head with nice neck into good sloping shoulders, spring of rib & rear angles all combined with topline gives this dog a good movement and drive and very well muscled in all the right places. RBD

1. Graham & Hogstrom's Don's Statement to Nyliram
2. Oliver's Glenbrows Royal Dragon
3. Hepworth's Glenbrows Rebel With A Cause

1. Riley's Ferndel Buttermint at Ravensworth – 23 month old brother to the yearling with similar traits. Good head and neck, well boned, well sprung ribs. Topline slightly sloping off back. Moved well. Again in good condition

Post Graduate Dog

1. Southgate's Ferndel Stargazer by Haregate - 3yr old. Nice well defined head, slightly short neck than I would have preferred. Good topline with rise over rear, moderate in stifle. Moved well
2. Brown's Bowdonia Ozzie – Not quite 3 yrs. Good head with a better reach of neck, well boned, good topline with a slightly more pronounced stifle. I felt he was down on his rear pasterns
